

## **HOME ALONE COURSE INFORMATION:**

### **Is your child ready to stay home alone?**

Take away the fear of leaving your child at home and help them along the path to independence with our Home Alone Safety for Kids course.

Ideally suited for children aged 9 – 12 years old, our home alone training teaches practical skills that build your child's confidence. It focuses especially on safety and accident prevention, and brings you peace of mind with our step-by-step home alone readiness plan.

As a Canadian Red Cross Training Partner and Affiliate of the Lifesaving Society, our instructors are fully qualified to teach our child safe programs in a fun and engaging manner.

### **Our kids safety course teaches students:**

- Street smarts and bike safety
- People safety (Stranger danger vs. safe strangers and “not-so stranger” danger)
- Online and Internet safety
- Snacking and kitchen safety
- Home fire safety
- Sibling rivalry
- Accident prevention
- How to handle emergencies and other situations
- Basic First Aid skills

Our program's unique delivery model reaches children of all learning types. Innovative digital and traditional gaming techniques provide a fun and positive learning environment, teaching participants valuable life skills to help them make safer choices when on their own.

All participants will receive the Home Alone Safety For Kids manual and a wallet-sized certificate of attendance.
