Each year Pawsitively Pets runs a fun, educational, hands-on animal summer camp for campers 4-14 years old. The program includes different animals for our hands-on programming, ranging from birds, pocket pets, reptiles and more, as well as a variety of animal enrichment and art projects and outdoor non-competitive multi-sport activities to burn off some extra energy! This is a great program for any animal lover who wants to explore a wide variety of pets and animals in a hands-on environment. Our program offering includes Forest & Nature Camp, which allows campers to explore the outdoors and animals. Please visit our Learn to Ride page for riding camp info and our Junior Dog Trainer camp page for information on Dog Trainer camp.
