## Ottawa Winter Break Camp – Wildlife Rehab

Each year Pawsitively Pets runs a fun, educational, hands-on animal camp for campers 5-11 years old. Winter Break camp will include different animals for our hands-on programming, ranging from birds, pocket pets, reptiles and more! This year we are teaming up with Soper Creek Wildlife Rescue to learn all about what happens when a wild animal is injured and the amazing people who dedicate their time to caring for and releasing our animal neighbours. The kids will get to meet animals such as an opossum, skunk, ground hog and more. Soper Creek will cover programming on Thursday to accommodate both 2 day options. Wednesday and Friday will offer opportunity to meet and interact with our onsite animals as well as produce items to be sent to the wildlife rescue to assist in their efforts.
