Ottawa Summer Camp –Ottawa

Each year Pawsitively Pets runs a fun, educational, hands-on animal summer camp for campers 4-14 years old. The program includes different animals for our hands-on programming, ranging from birds, pocket pets, reptiles and more as well as a variety of animal enrichment and art projects and outdoor non-competitive multi-sport activities to burn off some extra energy! This is a great program for any animal lover who wants to explore a wide variety of pets and animals in a hands-on environment. Campers in our summer camp programs that are taking part in Young Pups, Cool Catz, Animal Care, Farm programs and Mini Vet take part in animal related field trips each week to give campers the option to interact with animals they cannot meet at our site. Summer Camp is offered in 1-week programs.

Our Farm programs (Young Pups, Cool Catz and Animal Care) will be visiting our farm partner – Vanderlandd The Barnyard Zoo where we will be learning about and caring for a huge variety of farm friends both adult and babies. Donkeys, ponies, alpacas, goats, ducks, chicks and many more. We will be on site at the barn 2 days during the week and the remain days will encompass farm work as well as enjoying our onsite animals.
