The Pawsitively Pets **Junior Dog Trainer Camp** is a fun, interactive program for campers 10 to 14 years old to work with dogs. Children registered in this program will learn all the key fundamentals of dog training and work hands on each day with the dogs and our trainers to train dogs in basic obedience and tricks. All dogs have been pre-assessed to ensure that they are safe for the campers to work with. Campers will work in groups of 3 to 4 to train the dogs over the week-long program. They will learn all the ins and outs of positive reinforcement training, how to use a clicker and timing of rewards while training. They will spend three sessions a day working with their assigned dogs to exercise the, work on training techniques, commands and tricks. The Junior Dog Trainer program will provide campers with all the fundamentals of basic obedience and working confidently with dogs. The program will provide participating dogs with great obedience skills and manners! Each week the amazing team of Pawsitively Pets animals will also visit for hands-on animal presentations! We will host a “dog show” for parents on the last day, in the later afternoon for you to come check out all the great things that everyone learned while at camp. **All participants receive a clicker and treat bag with their registration.** Summer Camp is offered in 1-week sessions.
