BY-THE-DAY Camp Option – Leaside site ONLY

Each year Pawsitively Pets runs a fun, educational, hands-on animal summer camp for campers 4-14 years old. The program includes different animals for our hands-on programming, ranging from birds, pocket pets, reptiles and more as well as a variety of animal enrichment and art projects and outdoor non-competitive multi-sport activities to burn off some extra energy! This is a great program for any animal lover who wants to explore a wide variety of pets and animals in a hands-on environment. Campers in our summer camp programs that are taking part in Young Pups, Cool Catz, Animal Care, Animal Adventurers, Mini Vet and Animal Attendant take part in animal related field trips each week to give campers the option to interact with animals they cannot meet at our site. Learn to Ride campers will take the bus each day to their program which takes place off-site. Summer Camp is offered in 1-week programs.
