Inside-Out Camps – Ottawa

We are so grateful to run any programs and are following Ministry guidelines to bring smaller and safer versions of camps to our camper families. Unfortunately we are not able to use the animals at this time for our camp programs but should the guidelines change we will be quick to add them back in.

Our Inside-Out themed weeks are designed to give your creative, curious and sporty children a super fun week while taking as much programming as we can outside. We have a nice cool indoor space to go to but so much beautiful outside space to enjoy.

Our camp hours are 8:30am-4:30pm this year as we have removed before and after care options. All in-person camps are \$300 tax exempt.

Join us for INSIDE-OUT ADVENTURE WEEK! Have you ever wondered about Space? Or where Dinosaurs went? Come along for a week of exploration and fun! Let's have adventures and fun all about dinosaurs, space, pirates and more! This program is guaranteed to keep your most creative and active kids entertained all day!

Join us for INSIDE-OUT FOREST WEEK! Did you know there are over 55,000 different species of bugs in Canada alone? Explore all the wonders of nature and explore plants, bugs, ecosystems, habitats, nature and more! This program is guaranteed to keep your most creative and active kids entertained all day!

[OSGOODE 5721 Osgoode Main st.](#)
