Pawsitively Pets Summer Camp Refund Policy: Refunds for all programs will be made in writing via email and will be refunded in accordance with the schedule below. Credit can be obtained for the full amount of the refund to use towards another program if the guidelines are met. Refunds are subject to a \$25 administrative fee (per camp session/per child,) deducted from the total allowable refund. Refunds will be issued in the format they were originally paid. Pawsitively Pets reserves the right to grant exceptions to the stated policy in situations including, but not limited to, illness and death in the immediate family.

No Refunds for Partial Program Attendance or Illness: We do not provide refunds or credits when someone chooses to leave programs part way through. If your child is ill due to an infectious disease/illness/virus that will put other campers at risk and will need to be withdrawn from camp, a doctor's note will be required within 48 hours of the illness and a credit will be provided for 50% of the remaining camp/program fees that can be used anytime in the next 12 months towards a camp program. Virtually all of our expenses are incurred before the start of the camp or program. Similarly, we cannot give refunds or credits to people who have registered for more than one session if they choose during their first session not to attend another session. (The exception to this is if we are able to fill the spot with someone on our waiting list.)

Extreme Circumstances: (Someone in your family is told they have 6 months to live, your house burns down, etc.) By all means, contact us! We are not heartless. We may ask for some kind of documentation and explanation, and we will be more flexible if we hear from you sooner rather than later. We will consider all situations individually.

COVID-Related Program Cancellation Information: Should we be required under a government order to cancel the in-person operation of our camp programs for the summer season, refunds will be provided minus a \$25 administration fee. Please note all refunds may take 6-8 weeks to process.

Summer Camp Refund Guidelines: Up to and including May 31 of the camp year – full refund (minus \$25 admin fee per child/per session.) After May 31st but 30 + days prior to your camp session – 50% refund. Less than 30 days prior to your camp session - NO REFUND AVAILABLE. Cancellation due to infectious disease prior to the start of camp: If your child is ill due to an infectious disease/illness/virus that will put other campers at risk of serious health issues and will need to be withdrawn from camp a doctor's note will be required noting the serious risk of spread to other campers, within 48 hours of notifying the camp, and a credit will be provided for 50% of the camp/program fees that can be used anytime in the next 12 months towards a camp program.

Cancellation while camp is in-session: We do not provide refunds or credits when someone chooses to leave programs part way through. If your child is ill due to an infectious disease/illness/virus that will put other campers at risk of serious health issues and will need to be withdrawn from camp a doctor's note will be required within 48 hours of the illness, noting the risk to other campers, and a credit will be provided for 50% of the remaining camp/program fees that can be used anytime in the next 12 months towards a camp program.
