The Pawsitively Pets **Junior Dog Trainer Camp** is a fun, interactive program for campers 10 to 13 years old to work with dogs. Children registered in this program will learn all the key fundamentals of dog training and work hands on each day with the dogs and our trainers to train dogs in basic obedience and tricks.

There are two options for this program:

BRING YOUR DOG TO CAMP or USE A DOG PROVIDED BY US.

If you are bringing your dog to camp:

- Be sure you register for the correct program – camp with your dog runs 9am- 3:30pm, there is no extended care.
- *All dogs coming to camp must be good with other dogs, be fully vaccinated, including distemper combination vaccine, rabies, bordatella, dogs must be 18 weeks or older, crate trained and you must be able to bring a crate to camp each day. All dogs attending camp must be a size that is reasonable for your camper to manage independently*

If you are going to use a dog provided by us:

- Be sure you register for the correct program – camp where we are providing a dog runs 9am – 4pm
- Campers using a dog provided by us. This program will be based out of our Leaside location and campers will take part in two training sessions a day at Kyon Dog Daycare at Sutherland & Eglinton where campers will work with the dogs on basic obedience and tricks. All dogs are pre-assessed for safety to work with children. Campers will walk with Pawsitively Pets staff to the training location each day (approximately 2 blocks.) Campers using a dog provided by us will work in teams of 2 with their dog each day.

Campers will learn all the ins and outs of positive reinforcement training, how to use a clicker and timing of rewards while training. The Junior Dog Trainer program will provide campers with all the fundamentals of basic obedience and tricks and how to work confidently with dogs. The program will provide participating dogs with great obedience skills and manners! Each week will also include some hands-on time with the amazing Pawsitively Pets animals. **All participants receive a clicker and treat bag with their registration.** Summer Camp is offered in 1-week sessions.

Program is offered at our Leaside site – 125 Brentcliffe Road
