Each year Pawsitively Pets runs a fun, educational, hands-on animal summer camp for campers 4-14 years old. The program includes different animals for our hands-on programming, ranging from birds, pocket pets, reptiles and more, as well as a variety of animal enrichment and art projects and outdoor non-competitive multi-sport activities to burn off some extra energy! This is a great program for any animal lover who wants to explore a wide variety of pets and animals in a hands-on environment. Our program offering includes Forest & Nature Camp, allowing campers to explore the outdoors and animals.
